

§ 212.21

19 CFR Ch. II (4–1–10 Edition)

§ 212.21 Answer to application.

(a) Within 30 days after service of an application, the Commission investigative attorney shall file an answer to the application.

(b) If the applicant and the Commission investigative attorney believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the presiding officer upon request by the applicant and the Commission investigative attorney.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the position of the Commission. If the answer is based on any alleged facts not already in the record of the adversary adjudication, the Commission investigative attorney shall include with the answer supporting affidavits or a request for further proceedings under § 212.25.

§ 212.22 Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the adversary adjudication, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 212.25.

§ 212.23 Comments by other parties.

Any party to the adversary adjudication other than the applicant and the Commission investigative attorney may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the presiding officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

§ 212.24 Settlement.

The applicant and the Commission may agree on a proposed settlement of the award before final action on the ap-

If a prevailing party and the Commission investigative attorney agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 212.25 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or the Commission investigative attorney, or on his or her own initiative, the presiding officer may in his or her discretion order further proceedings, such as an informal conference, oral argument, additional written submissions or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible.

(b) A request that the presiding officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 212.26 Determination.

The presiding officer shall issue a recommended determination on the application within 90 days after completion of proceedings on the application. The determination shall include written findings and conclusions on the applicant's eligibility and status as prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The determination shall also include, if at issue, findings on whether the position of the Commission investigative attorney was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust.
